

## Ela Soccer Club Field Usage Guidelines

For the safety of our children and to comply with insurance regulations ***No moving of goals***

1. After every game, return the flags to the lockbox. If the flags disappear (and they will) the cost to replace them will be at the expense of the last team on the field.
2. Lock boxes must be closed, locked and checked by the team manager/coach. The team will be held responsible for anything missing.
3. For our children's safety please do not dispose of empty paint cans in the garbage can, either take them home with you or leave them in the lock box.
4. Fields will be automatically striped by volunteers prior to the games.
5. No switching of fields due to bad weather or field conditions unless arranged with the Director of Fields.
6. Please assign a parent to ensure that all litter is picked up at practices and games.
7. **No practicing on game fields**

It takes a lot of time and effort by volunteers like you to ensure that our game fields are in peak condition. The rules above are in place to help ensure this.
